## Questions to consider

What's one of the most miraculous things you've ever seen or heard about?

With your Bible, read [Acts 4:23-37](#). In this passage, Peter and John prayed bold prayers before God that lead to incredible results. How would you describe the way that you typically pray? In what ways do your prayers reflect what you believe about God?

What impact do you think it would have in your life, and in our church, if everyone began to pray powerful prayers?

For a deeper study on praying powerful prayers, this week study the following bible verses: [Jeremiah 29:12, 2 Chronicles 7:14, Psalm 17:6, John 5:14-15, Philippians 4:6](#), and [James 5:13](#).
