## Questions to consider

What's one of the most profound things that someone has ever said to you? How did their bold words impact you?

People tend to speak very passionately about things they believe. How have you seen your speech reflect what you believe?

Read **Acts 4:1-31, 9:28 & 14:3**. What things stand out to you about speaking boldly from the examples found in the book of Acts?

Who do you know that needs to hear the bold words of correction or encouragement from you this week? How can you go about speaking boldly to them? How have the bold words of others brought encouragement into your life?

For a deeper study on speaking boldly for Christ, this week study the following bible verses: **1 Samuel 30:6, Philemon 1:8, Proverbs 27:6, Ephesians 3:11-12, 2 Corinthians 3:11-12** and **Hebrews 3:13**.
