

Signs Study Guide

Begin by reading John chapter 9.

Questions to consider

What "Signs" do you think the man carried from his past?
How about his parents?

What were the attitudes of those surrounding the man
born blind? From where did the attitudes come?

How did the situation change when Jesus arrived on the
scene and after? Did their attitudes change? How and
why?

How has your past molded you? Do you carry any "Signs"
that you know about?

What would your response be to a person with a "Past," in
reality? How and what would that look like?
